May 2023

Dear Chamber Members & Friends:

The 51st Annual Springfield Regional Chamber of Commerce's **Hackers Day Golf Tournament** is scheduled for **Thursday, July 13th** at Crown Point Country Club.

As Chairperson of the Tournament, I'd like to invite you and your company to be a part of this event. Historically, we have had 50-70 players and this year we would like to fill the **cap of 22 team spots** (88 players). We are working hard to make this the best "Hackers Day" ever, with fun events and great prizes. So, gather a few friends and form your 4-person team. The format is a Scramble and so, fortunately for players like me, golfing skill is optional!

I'd also like to invite you to be one of our **Hole Sponsors**. In addition to supporting the Chamber and helping us to defray some of our cost, your **sponsorship of $125 will provide the following benefits for your business**:

- **A sign listing your business placed on one of the 18 beautiful holes at Crown Point C.C.**

- **A listing of your business in our program at our awards banquet following the tournament**

- **A listing of your business in our tournament press releases and newsletter**

I hope you will consider my invitation to enjoy a fun day of golf and/or to be a sponsor of the event. If you have any questions, please contact Taylor Drinker or Alice Page at the Chamber office at 802-885-2779 or info@springfieldvt.com. This event is a great way to network with business associates, spend a day playing golf, and perhaps even get that coveted hole-in-one. Come, have fun, and enjoy a great day on the fairway! See the enclosed Sponsorship and Team forms and sign up now!

Sincerely,
Cas Krupinsky
"Hackers Day" Chairperson
